

INTERIOR QUESTIONNAIRE

Feel

What is the overall feeling you envision for the space (ie: cottage, formal, arts & crafts)?

**Are there particular exterior views that may influence furniture placement?
Are there identifiable view tensions (like wanting to face a view and a fireplace at the same time)?**

Color

Are there particular colors you like or dislike? Do you imagine an extensive use of color?

What color tones do you prefer - bright, muted, earth, pastels, neutral, etc?

Furniture

Do you intend to use or duplicate any furniture you already own? If so what? Is there a particular furniture brand and/or style that you particularly like?

Do you prefer slipcovers or upholstery?

Are you planning to buy outdoor furniture? Any favorite brands/styles?

Do you have particular comfort concerns (for example, some people are very particular about chairs and sofas, and need to actually sit in them before purchasing).

Accessories

Do you have artwork you intend to use?

Do you expect to purchase art?

Do you prefer table lamps or floor lamps?

Textiles

What style of rugs do you have in mind? Would you like rugs to make a statement or blend with the other textiles? Do you feel that all rooms should have significant rugs?

Is there a particular kind of fabric you think would be suitable? Should it be a statement or blend with the other textiles?

Do you want window treatments? In which spaces? Do you have any particular type in mind. Any rooms that need to be fully blacked out?

Other

Are there houses that you can identify (ours or others) that have some of the interior feeling or qualities you are looking for?

Any other comments?
